chemical solutions to **concrete** problems

This letter is to certify that Silcoseal 2000F and Silcoseal Select do not contain any unrefined or refined wax, to include: paraffin wax, slack wax, scale wax, microcrystalline wax, petrolatum, vegetable based wax or any synthetic based wax that could interfere with the penetration or adhesion of subsequently applied coatings or treatments to wall panels or floor/casting slab surfaces.

Sincerely,

A handwritten signature in black ink that reads "Michael A. Linn". The signature is fluid and cursive, with the first name being the most prominent.
